

Participants (Tohoku University)

Students

Tetsumasa Segawa

Freshman, Materials Science and Engineering Group, School of Engineering

Yasuhiro Shimura

Freshman, Materials Science and Engineering Group, School of Engineering

Takahiro Uchimura

Freshman, Materials Science and Engineering Group, School of Engineering

Masakazu Kamikawa

Freshman, Materials Science and Engineering Group, School of Engineering

Junpei Kobayashi

Sophomore, Materials Science and Engineering Group, School of Engineering
e-mail: piyaj4@aol.com

Kenichi Saiga

Sophomore, Materials Science and Engineering Group, School of Engineering

Shigeaki Katsumata

Sophomore, Materials Science and Engineering Group, School of Engineering

Takamitsu Takagi

Junior, Materials Science and Engineering Group, School of Engineering

Kouichi Tamura

Junior, Materials Science and Engineering Group, School of Engineering

Shuuhei Morioka

Junior, Materials Science and Engineering Group, School of Engineering
e-mail: Shuhei.Morioka@mb8.seikyoku.ne.jp

Naoyuki Kawamoto

Junior, Materials Science and Engineering Group, School of Engineering
e-mail: mokke@america.co.jp

Naoya Shimogaki

Junior, Materials Science and Engineering Group, School of Engineering

Aya Miyazaki

Junior, Materials Science and Engineering Group, School of Engineering
e-mail: takudennashi@yahoo.co.jp

Tomoyuki Sasaki

Junior, Materials Science and Engineering Group, School of Engineering

Yuuichi Miyabe

Junior, Materials Science and Engineering Group, School of Engineering
e-mail: uich-myb@estate.ocn.ne.jp

Takao Funayama

Junior, Materials Science and Engineering Group, School of Engineering

Takeshi Kaminatsui

Junior, Materials Science and Engineering Group, School of Engineering
e-mail: takeshi-@cf7.so-net.ne.jp

Toshinosuke Noda

Junior, Materials Science and Engineering Group, School of Engineering
e-mail: n-s-k-t@mua.biglobe.ne.jp

Hiroshi Suzuki

Senior, Dept. of Aeronautics and Space Engineering
(Lab. of Intelligent Control Systems), School of Engineering
e-mail: suzuki@control.is.tohoku.ac.jp

Ryota Goto

Senior, Dept. of Materials Science
(Lab. of Magnetic Material), School of Engineering
e-mail: r-gotoh@stu.material.tohoku.ac.jp

Takanori Miyazawa

Graduate student, Dept. of Materials Science
(Okada Lab.), Graduate School of Engineering
e-mail: takanori@ceram.material.tohoku.ac.jp

Professors

Kouichi Maruyama

Professor, Dept. of Materials Science
(Lab. of Strength of Materials), Graduate School of Engineering
e-mail: maruyama@material.tohoku.ac.jp

Hiroyuki Kokawa

Professor, Dept. of Materials Processing
(Lab. of Welding and Joining Technology), Graduate School of Engineering
e-mail: kokawa@material.tohoku.ac.jp
