

Best Oral Award

# The excellence

Awarded to

**Shota Shimenouchi**

For

Outstanding scientific research and excellent oral presentation entitled

**“Phase Equilibria at Low Temperatures and  
Thermodynamic Calculation in the Fe-Ni Binary  
System”**

Presented at

“2012 Joint Symposium on Materials Science and Engineering for the 21<sup>st</sup> Century”,  
at Gwangju Institute of Science and Technology, Gwangju, KOREA

June 26, 2012

Beong Ki Cho

Chair, 2012 Joint Symposium on MSE for the 21<sup>st</sup> Century  
Dean, School of Materials Science and Engineering
