

Appendix — Admission Screening Examination Schedule for October 2027 Enrollment in International Graduate Programs in Engineering
International Materials Science and Engineering Master Course (IMSE)

Departments	Subjects	Date and Time (Sendai, Japan)	Description	Remarks
Metallurgy Materials Science Materials Processing	English		Submit TOEFL® or TOEIC® score sheet at the submission of applications. English-native applicants should contact the Educational Affairs Section, Department of Materials Science and Engineering*. TOEFL iBT Home Edition scores are not accepted.	(1) Schedules etc. will be notified individually. (2) Calculators are not allowed during the test. *Inquire with the department for details. Educational Affairs Section, Department of Materials Science and Engineering: e-mail: kyomu.material@grp.tohoku.ac.jp
	Oral test	30 minutes, between March 2 and 4, 2027	The test consists of 5 areas, such as physics, chemistry, materials chemistry, materials science and materials processing.	
	Mathematics	60 minutes, March 2, 2027	Differential and Integral Calculus, Ordinary Differential Equations, Linear Algebra, Vector Analysis, Matrix, Determinant, Complex Function Theory, Fourier Series and Fourier Transforms, Laplace Transforms, etc.	
	Interview	10 minutes, between March 2 and 4, 2027 (Conducted during the Oral test)	Interview
